400A NEAM 1 & NEMA 3R COPPER

Convertible Mains — 3-Phase, 4-Wire 480Y/277V

250A NEMA 1 & NEMA 3R COPPER

400A NEAM 1 & NEMA 3R COPPER

Same Day Availability @ RESCO: Over the counter availability means you're on and off the job without the delays that come with waiting for factory assembled panelboards.

Product Consistency: Whether you are starting a new project, replacing parts, or adding on to an existing project, the unassembled panelboard offering is an exact match to the Siemens factory built panelboards.

Convertibility: Field convertible main breaker and main lug kits, (through 400 amps), will allow you to switch from main lug to main breaker, and vice versa with no change in box size or additional cabling. (a SIEMENS exclusive feature @ no extra charge!)

Flexibility: Field addable sub-fed breakers (up to 250 amps) or feed through lug kits can be field installed without utilizing any of your feeder breaker positions or increasing your box height. (a SIEMENS exclusive feature @ no extra charge!)

Ease of Installation: Lay-in construction and or removable lugs make wiring the main and neutral lugs easier and faster.

Invertible: Unique design allows panel to be inverted in the field and keep its labeling legible.

**TIRED OF LONG 2-3 WEEK LEAD TIMES?
IS IT A CHALLENGE TO HAVE ALL OF YOUR MATERIALS
ON THE JOB SITE AT ONE TIME?**

Safety Switch Promo Highlights:

Richmond & Norfolk Branches

(6) GoPros will be awarded. Win, Win, Win.

Three for each branch:

Inside/Counter (2) will win!

Outside Sales (2) will win!

Contractor (2) will win!

Scratch cards awarded 'til they all run out

How to Win:

Inside & Counter: Earn an AD Reward scratch card for every \$100 of switches sold. At the end of every week the employee with the most scratch cards has their name entered into the drawing to win a GoPro at the end of the promotional period.

Contractor: For every \$500 purchase of Siemens safety switches, your customer's name goes in the drawing.
